

• Eye and skin light sensitivity • Reduces sun-glare for children • Eliminates upholstery fading • Customized look

Donovan Trana, owner

From RVs to sport coups, no matter what you drive, tinted windows can give your vehicle a custom look that's sleek, tasteful and cool. Plus, you and your passengers will appreciate the other benefits window tinting affords – it's the investment that improves your driving experience and your vehicle's value!

Located in Wilton, Iowa, Express! Auto Tint offers high quality window tinting for your car, truck or SUV. We think you'll agree that our work speaks for itself. 14 years of experience and the best product on the market, insures your complete delight! With proper installation by Express! Auto Tint, your window film will last for many years! We take great pride in our work, and do it right...the first time! We guarantee our workmanship for as long as you own your vehicle! - **Donovan Trana, Owner**

**Frequently Asked Questions**

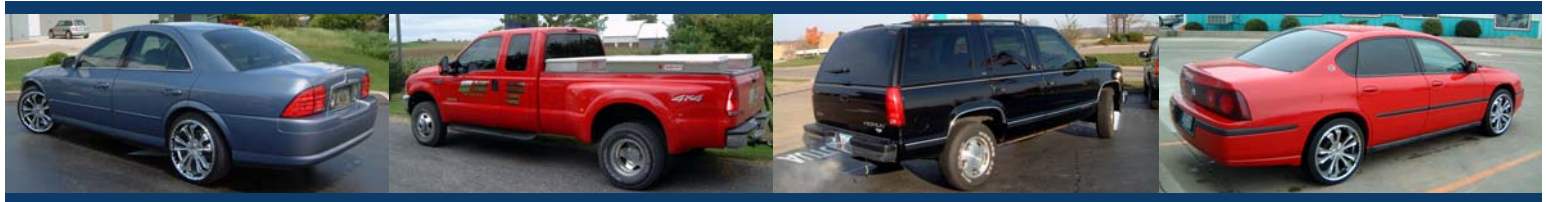

- Q. Is Tinting Legal?**  
**A. Iowa Law** limits the light transmission to 70% on front roll-up glass. Tint is not made that light, so in effect, it is against Iowa Law to tint the front rollups. Only a band is allowed on the windshield. No limits on the other glass of your vehicle. **Illinois Law** does not allow tint on the front roll-up glass. The back of the vehicle is limited to 35%. Only a top band is allowed on the windshield.
- Q. Where Is The Work Performed?**  
**A.** All work is performed in a dust free shop on Donovan's property in Wilton, IA. Your vehicle will be picked up and dropped off from Express! Auto Glass next to Auto Zone . Expect about 25 miles added to your odometer. You may drop off your vehicle in Wilton if you prefer. Payment is cash or check and is due upon pick up of your vehicle. *Checks are to be made out to Donovan Trana.*
